Cattle Producers,

The following is the early listing of the bulls for the Connealy Angus Bull Sale to be held on Monday, November 19th, 2018. (The Monday before Thanksgiving.) Please note that all of these bulls have been DNA tested, so the EPDs in this listing are genomically enhanced, and therefore more accurate than typical EPDs. A complete catalog with **updated** weights and EPDs, based on the bulls' most recent performance data, will be mailed in early November. Please keep in mind that our bulls are **fully** guaranteed through the first breeding season. Thanks in advance for your interest!

The Connealys

Yearling Bulls

This listing is sorted in accordance with the pen groups currently at the sale site.
